## Getting Fresh with Saltwater Flies - Advanced Tying Workshop 101

This new class takes a fresh and modern approach to tying saltwater flies, including introducing commercial techniques to take your skills to the next level. We will cover:

- New redressing techniques for the upcoming Pink and Salmon Season for local waters
- Patterns for rivers, estuaries and oceans with Fish Skull techniques from Flymen Fishing Company
- Introduction to the Partridge line of premium quality hooks and
- Innovative products from Lagartun Premium Tying Materials

Dennis Gamboa from The Fly Box will be your Instructor. He has been teaching fly tying classes for over 15 years. His specialty is Saltwater flies from local waters to exotic destinations. Dennis is a Master of the art of commercial tying with over 20 years' experience on his Regal Vise. His creativity and design has earned him a spot on The Lagartun PRO Staff Team and he is also the newest Partridge PRO-TEAM Member to represent the West Coast of BC Canada. He is a contributing writer to Inspired Spaces and part of the Flymen Fishing Company Commercial Fly Tyers (CFT) Program.

Workshop sponsored by Partridge of Redditch & Lagartun Premium Tying Materials and Flymen Fishing Company.
